STANDARDS SALE AND STORAGE OF FIREWORKS: The undersigned applicant/agent, by execution of his/her signature, acknowledges and agrees to comply with the following standards to apply to the sale of fireworks within the corporate limits of the City of Alcoa.

- (1) Sales of fireworks shall only be permitted from June 20th until July 5th and from December 10th until January 2nd of any given year.
- (2) Sales of fireworks shall be conducted in compliance with the provisions of the City of Alcoa Municipal Zoning Code.
- (3) Fireworks may not be stored, sold, or offered for sale in or from a permanent building. All tents or similar temporary structures used for the storage or sale of fireworks shall be composed entirely with fire retardant materials, meet the current adopted International Building Code, International Fire Code, and the Life Safety Code (NFPA 101), and shall be located on a paved surface and in no event may be erected or placed on a grass or gravel area.
- (4) All tents or similar temporary structures used for the storage or sale of fireworks shall provide an emergency exit remote from the point of entrance. Tents shall be enclosed on no more than two (2) sides during times that customers are present.

- (5) The site utilized for the sale of fireworks shall be a minimum of 200 feet from any fuel source and no farther than 500 feet from an operable fire hydrant.
- (6) The sale of fireworks shall be restricted to D. O. T. Class C common fireworks as defined by Tennessee Code Annotated, Title 68, Chapter 104.
- (7) No person shall smoke within a structure where fireworks are stored or sold or within fifty (50) feet of an area where fireworks are sold. No person selling fireworks shall permit the presence of lighted cigars, cigarettes, or pipes within a structure where fireworks are sold or within fifty (50) feet of where fireworks are offered for sale. At all places where fireworks are stored or sold, there shall be posted at each entrance signs with the words "**Fireworks – No Smoking**" in letters not less than four (4) inches high.
- (8) A minimum of two (2) 10 lb. ABC fire extinguishers, inspected at tagged, shall be present at each site where fireworks are stored or sold.
- (9) It shall be unlawful to offer for sale or to sell any fireworks to children under the age of sixteen (16) years of age or to any intoxicated person.
- (10) Fireworks are not permitted to be stored in residential districts, except for personal use.
- (11) All unsold product must be removed within five (5) days of the sales period set forth in this Article.
- (12) Ground fault interrupter protection must be used for power cords that supply power to tents and other outdoor structures. Electrical wiring inside tents and other outdoor locations shall be securely installed, without splices, and lamps shall be protected from accidental breakage by suitable fixture or guard.
