# EAST TN VALLEY CRIME STOPPERS PROVIDES INVALUABLE RESOURCES

East TN Valley Crime Stoppers partners with many local law enforcement agencies providing a tool to aid them in serving and protecting the communities they serve.

Crime Stoppers provides complete anonymity to those who have valuable information but are afraid to come forward due. Additionally, a cash reward is offered for information leading to an arrest, which can be a motivating factor for some.

Our mission is to help make our region a safer place to live, work, and play, but this can only be achieved if everyone works together.

# TOGETHER WE MAKE A DIFFERENCE

**Your financial support  
is making a difference!**

Our tips have helped law enforcement stop - potential active shooter situations, apprehend murder and rape suspects and many more.

Please consider becoming a sponsor and putting a team together for our 4th Annual Clays Against Crime on May 2, 2025.
